

ALASKA GUN COLLECTOR'S ASSOCIATION
SCHOLARSHIP APPLICATION

Dear Applicant:

AGCA is an organization dedicated to the protection of the Second Amendment, shooting sports, hunting, gun collecting, etc. To contribute to the continuing improvement of our interest, we are offering scholarships to Alaska high school graduates who are in need of help, and have academic achievement beyond the norm. We are awarding scholarships to full-time students who reside in the State of Alaska, wherever they attend college.

The scholarship committee will evaluate the following:

1. Completed application form
2. Grade point average
3. Full-time enrollment at an accredited college or university. Application may be made before acceptance to a college, but payment will be made to the school's financial aid office.
4. Interview of applicant with the scholarship committee
5. The endorsement of the applicant's references
6. Financial need
7. High school or college transcript. If the applicant has already completed at least one year of college, a high school transcript is not necessary.

Please mail completed applications and any supporting material to the following address:
Greg Ross, AGCA President
7311 Tarsus Drive
Anchorage, AK 99502
